

# Who was Hippocrates?

## Personal Details

Date of Birth

Birthplace

Profession

## The Hippocratic Oath

*"I will swear by Apollo, Asclepius and by all the gods that I will carry out this oath. I will use treatment to help the sick according to my ability and judgement but never with a view to injury or wrongdoing. I will not give poison to anybody...whatever I see or hear professional in my private life which ought not to be told I will keep secret."*

What is the Hippocratic Oath and why is it important?
